

Science & Heritage Cluster

Modelling, Interpretation and Alternate Representations:
Visualization technology, Heritage Buildings & Coastal Threats

Science and Heritage
Programme

Indicative Accommodation for:

Workshop on Heritage Modelling and Visualization
(Heritage Buildings & Multivocality).

9-10 July 2009

St Fagans: National History Museum, Cardiff. <http://heritage.cs.bangor.ac.uk/>

Below is an indicative list of accommodation. These are listed for information purposes and are suggestions for people attending the Workshop. Please note that the quality of the accommodation has not been checked by the organisers of the conference. Also, we suggest that you book your accommodation early as both Cardiff University graduation and The Ashes are believed to be occurring at the same time!
